BACKGROUND

DZ INVESTMENTS (PTY) LTD

DZ Investments (Pty) Ltd, established in 2017, a distinguished Engineering & Development Consultants firm. Our team of Professional Engineers, Architects, Project Managers and Quantity Surveyors offer extensive expertise across the built environment. Since inception, we have successfully delivered diverse infrastructural projects, including but not limited to feasibility, wastewater treatments plants, roads, stormwater and sewer systems, potable water networks, educational facilities, conditional assessments, traffic impact assessments and traffic engineering safety audits.

Our esteemed Clients include the Mining Sector, Private Manufacturing Entities, State-Owned Entities (SOEs), Private Developers, Provincial, District & Local Government entities etc.

A glimpse of our vast experience is as follows:

FEASIBILITY STUDIES

- **Traffic Impact Studies** – New developments and reconfiguration of existing developments
- **Bulk Engineering Services** – Roads, stormwater, water & sewer bulk investigations and reporting for proposed developments
- **Floodline Studies** – Hydrological and hydraulic modelling of natural waterbodies for floodline delineation
- **Geotechnical Investigations** – Subsurface soil investigations and existing layerworks classification for road expansions.
- **Topographical & Cadastral Surveys** – Surveying of existing natural and man-made features
- **Environmental Studies** – Environmental studies for proposed developments including WULAs where applicable.

DESIGN EXPERIENCE

- **Reinforced Concrete & Steel Designs** – Structural Designs for warehouses, water-retaining structures, multi-storey buildings, bridges etc.
- **Roads & Highways** – Geometric and pavement designs of national, provincial and local collector roads etc.
- **Stormwater** – Design of bulk and internal stormwater reticulation, attenuation and detention structures etc.
- **Bulk Earthworks** – Design of bulk earthworks for water retaining structures, warehouses, buildings etc.
- **Potable Water** – Design of bulk and internal potable water reticulation including elevated storage.
- **Sewer** – Design of bulk and internal sewer reticulation, outfall sewers, pump stations etc.

PROJECT MANAGEMENT

- **Project Management** – Project Management of multi-disciplinary Professional Teams from Stages 1 to Stage 6
- **Construction Management** – Construction Management of Contractors for various infrastructural projects

BACKGROUND

COST ENGINEERING

- **Computing Project Estimates** – Computing accurate project estimates to determine the Client's readiness for executing various projects
- **Project Cost Management** – Cost Management during the project implementation
- **Property Valuation** – Accurate, market related property valuation where Clients need to make a decision on whether to refurbish or sell properties as they are.

STATUS-QUO REPORTING

- **Conditional Assessments** – Visual assessments of existing structures to determine their overall condition.
- **Structural Assessments** – In-depth assessment of existing structures including conducting of non-destructive tests (NDTs), and interpretation thereof.

RESEARCH EXPERIENCE

- Stormwater Management (WSD & SuDS)
- General Behaviour of Rivers, Streams & Dams
- Investigations of State of Rivers and Rehabilitation Measures
- Wetlands Rehabilitation
- Effects of Siltation on Natural Water Bodies

INVESTMENTS

PREVIOUSLY EXECUTED PROJECTS

Period	Client Name	Project Description	Responsibilities	Location
2026	Ethekwini Municipality	eThekwini Municipality Electricity Depot Admin Building Extension	Principal Agent, Civil & Structural Designs, Construction Monitoring & Project Close-Out of the eThekwini Municipality Electricity Depot Admin Building	Durban, KwaZulu Natal
2026	Windus M & Associate Surveys	Proposed Polokwane Eco Estate Access Road	Traffic Impact Assessment Study & Recommendations	Polokwane, Limpopo
2025	Ethekwini Municipality	Principal Agent, Architectural Designs, Construction Monitoring & Project Close-Out of the Kings Park Swimming Pool	Professional Team Services for Planning, Design and Construction Monitoring of the Kings Park Swimming Pool	Durban, KwaZulu Natal
2025	Johannesburg Water	Structural Condition Assessment of the Turbine Hall Precinct	Structural Assessment & Recommendations	Johannesburg, Gauteng
2025	Transnet Pipelines	Feasibility Studies for Transnet Pipelines Head Quarters & Recommendations thereof	Civil, Structural, Fire, Mechanical & Electrical Engineering Assessment & Recommendations	Durban, KwaZulu-Natal
2025	Construction Education and Training Authority (CETA)	Construction of the Anene Booysen Simulation Skills Development Centre	Professional Team Services for Planning, Design and Construction Monitoring of the Anene Booysen Simulation Skills Development Centre	Bredasdorp, Western Cape
2025	Equate Africa	SAFE Project Audits	Engineering Infrastructures Audit for Various Schools	Eastern Cape & KwaZulu Natal
2025	Ndani Projects	Proposed Ledig Police Station	Traffic Impact Assessment	Ledig, North West
2025	Mametlelelo Investments	BRT Phase 1A and 1B Refurbishments	Civil, Structural & Quantity Surveying Services for the Proposed Refurbishment of 9 BRT Stations	Johannesburg, Gauteng
2025	Ndani Projects	Proposed Ledig Police Station	Civil Engineering Services Reports & Recommendations	Ledig, North West
2025	Jullex Infrastructure Development Services (JIDS)	Proposed Folkstron Warehouse	Outline Scheme Reports Compilation & Preliminary Designs	Crown, Gauteng
2025	Mbeu Ntsu (Pty) Ltd	Proposed Mining Rights Project – Roodekraal Mine	Traffic Impact Study & Recommendations	Potchefstroom, North West
2025	Mora Ecological Services (Pty) Ltd	Proposed Solar Project Rietpoort	Traffic Impact Study & Recommendations	Touws River, Western Cape
2024	Johannesburg City Parks & Zoo	Waterfall Cemetery Road Development	Plan, Design & Construction Monitoring of the Road at the Waterfall Cemetery	Midrand, Gauteng
2024	City of Joburg Property Company	Comprehensive Structural Assessment of Vannin Court	Structural Assessment & Recommendations	Johannesburg, Gauteng
2024	Plantcor Mining (Pty) Ltd	Formalisation of Brakfontein Colliery Mine access junction along R50	Traffic Impact Studies & Recommendations	Delmas, Mpumalanga

PREVIOUSLY EXECUTED PROJECTS

Period	Client Name	Project Description	Responsibilities	Location
2024	Plantcor Mining (Pty) Ltd	Formalisation of Brakfontein Colliery Mine access junction along R50	Geometric Designs, Pavement Designs, Stormwater Designs, Road Markings & Signage Designs	Delmas, Mpumalanga
2024	City of Joburg Property Company	Comprehensive Structural Assessment of Usindiso Building	Structural Assessment & Recommendations	Johannesburg, Gauteng
2024	Majahabesutfu Trading (Pty) Ltd	Proposed Mahikeng Filling Station	Roads, Stormwater, Water & Sewer Engineering Services Reports	Mahikeng, North West
2024	Corruseal Group (Pty) Ltd	Warehouse Structural Alterations	Structural Designs and construction monitoring for the Warehouse alterations	Wadeville, Gauteng
2024	Krupa	Uminathi College Upgrades	Civil & Structural Engineering Designs and Construction Monitoring	Hammersdale, KwaZulu-Natal
2024	Axton Matrix Construction JV AZRA Developments	Construction of Vereeniging Long Distance Taxi Rank	Civil & Structural Engineering Services Designs and Construction Monitoring of roads, loading areas, multistorey workshops and admin buildings etc.	Vereeniging, Gauteng
2023	Limpopo Department of Co-operative Governance, Human Settlements & Traditional Affairs (COGHSTA)	Upgrading of the Vaalwater Waste Water Treatment Plant	Plan, Design and Construction Monitoring of the upgrading of the Vaalwater Waste Water Treatment Plant	Vaalwater, Limpopo
2023	Thando - Tech Colliery	Formalization of Mine access junction along R50 & R42 Provincial Roads	Geometric Designs, Pavement Designs, Stormwater Designs, Road Marking & Signage Designs	Delmas, Mpumalanga
2023	Thando - Tech Colliery	Formalization of Mine access junction along R50 & R42 Provincial Roads	Traffic Impact Studies & Recommendations	Delmas, Mpumalanga
2023	VARTRUST	Proposed Saddlebrook Ext 5. Residential Complex	Bulk Engineering Services Investigations & Preliminary Designs	Saddlebrook, Gauteng
2023	Mbani Projects on Behalf of Free State Department of Health	Refurbishment of Pelonomi Hospital Roofs	Plan, Design and Construction Monitoring of the Pelonomi Hospital Roofs	Bloemfontein, Free State
2023	Mr. Lucas Denge	Proposed Restaurant & Multistorey Residential Apartments	Outline Scheme Reports Compilation	Kimberly, Northern Cape
2023	Pholamed	Proposed Private Hospital	Outline Scheme Reports Compilation	Postmasburg, Northern Cape
2023	JM Makamu TRP (Pty) Ltd	Proposed KaDzumeri Filling Station	Outline Scheme Reports Compilation	Giyani, Limpopo

PREVIOUSLY EXECUTED PROJECTS

Period	Client Name	Project Description	Responsibilities	Location
2023	Rifumo Town & Regional Planners	Proposed Mahonisi Resort Development	Outline Scheme Report Compilations	Giyani, Limpopo
2023	Katlego Coal	Making Safe of R547 and Mine Entrance Junction	Road Safety Audit Report & Design of Traffic Calming Measures	Kriel, Mpumalanga
2023	Face of Earth Consulting cc on Behalf of Xivono Colliery	Proposed Access Junction along R33 for the Weltevreden Mine	Traffic Impact Assessment Study & Recommendations	Belfast, Mpumalanga
2023	Face of Earth Consulting cc on Behalf of Xivono Colliery	Proposed Access Junction along R33 for the Weltevreden Mine	Design and Implementation of a mine access road junction	Belfast, Mpumalanga
2023	FV Trading Enterprise	Upgrading Informal Settlement Program (UISP) - Road, Stormwater, Water and Sewer For Sizakhele Township in Bedford, Eastern Cape	Construction Monitoring & Project Management for Internal Water & Sewer Reticulation & Roads and Stormwater	Sizakhele, Eastern Cape
